

REMARKS

Claims 1, 2, 4, 5, 7-12, 14, 15 and 17-20 were present for examination in the above identified application. Claim 10 is objected to on the grounds that the claim was amended by Applicant on March 25, 2005, but the listing of claims submitted by Applicant on December 19, 2005 did not include the changes that had been made to the claim on March 25, 2005. Additionally, all of the pending claims stand rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over commonly-owned U.S. Patent No. 6,624,605 ("the '605 patent").

Applicant submits herewith a corrected Listing of Claims. No new amendments are made in this Listing of Claims. Instead, this Listing of Claims is identical to the listing of claims Applicant submitted on December 19, 2005 except for claim 10, which includes the previously made changes that should have been included in the December 19, 2005 listing of claims.

Applicant additionally submits herewith a terminal disclaimer in compliance with 37 U.S.C. §1.321 (c) to obviate the obviousness-type double patenting rejection over the '605 patent.

The Commissioner is hereby authorized to charge any additional fees which may be required in this Application to Deposit Account No. 06-1135.

Respectfully requested,

FITCH, EVEN, TABIN & FLANNERY
